The World Journal of MEN's HEALTH

Supplement Table 4. Excluded studies[a]

Study	Reason for exclusion
Choi et al [1], 2013	Randomized controlled study but testing ginseng berry not ginseng roots
Ebihara [2], 2014	Single arm trial
Evans et al [3], 2011	Review
Guirguis [4], 1998	Review
He et al [5], 2018	Review
Ho and Tan [6], 2011	Review
Hong [7], 2001	Duplication (thesis)
Hsieh et al [8], 2016	Randomized controlled study but testing herbal mixture with ginseng
Choi et al [9], 1998	Duplication
Kim et al [10] 1996	Not a randomized controlled trial
Kim et al [11], 2006	Double-blinded placebo controlled trial without randomizations
Lee and Kim [12], 1986	Not a randomized controlled trial
Leung and Wong [13], 2013	Review
Li et al [14], 2017	Review
Lim [15], 2017	Review
Low and Tan [16], 2007	Review
Momoi et al [17], 2015a	Randomized controlled study but included only healthy people
Momoi et al [18], 2015b	Randomized controlled study but included only healthy people
Najafabadi et al [19], 2021	Randomized controlled study but testing ginseng mixture with vitamin D
Park et al [20], 2006	Not a clinical trial (survey)
Park et al [21], 2019	Randomized controlled study but testing herbal mixture with ginsenosides
Xiang et al [22], 2008	Review
Yamashita et al [23], 2018	Randomized controlled study but included only healthy people
