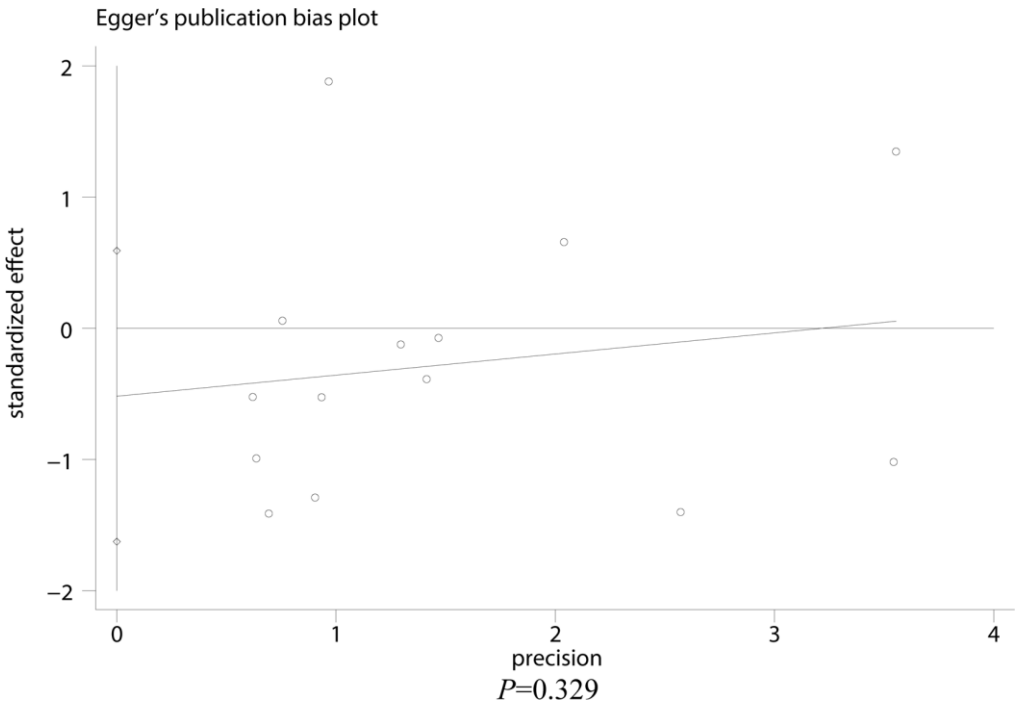
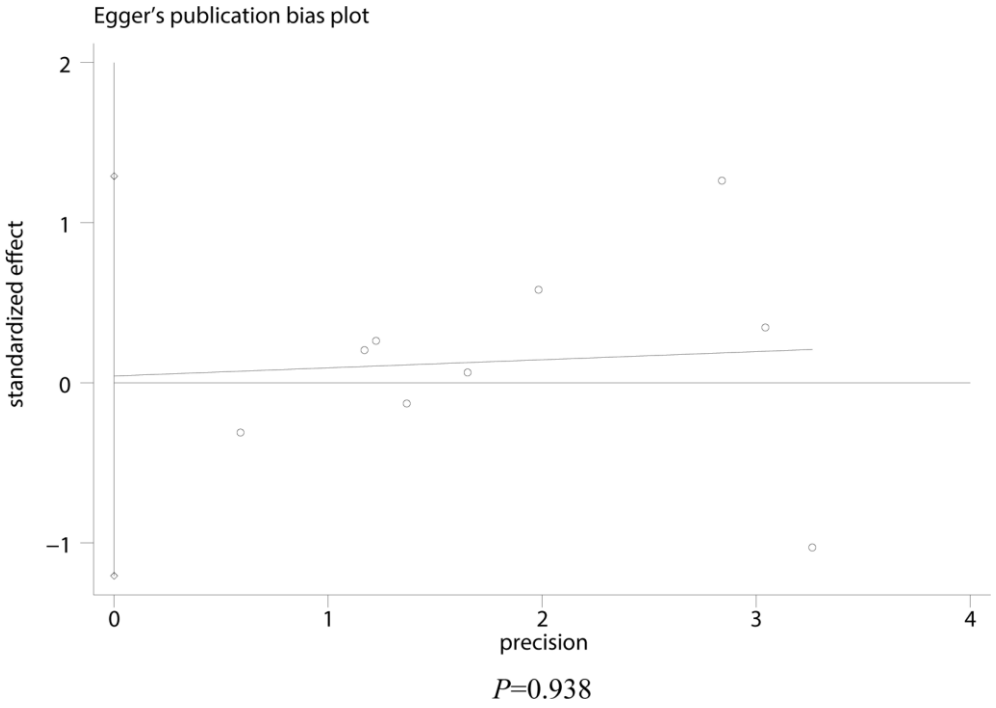
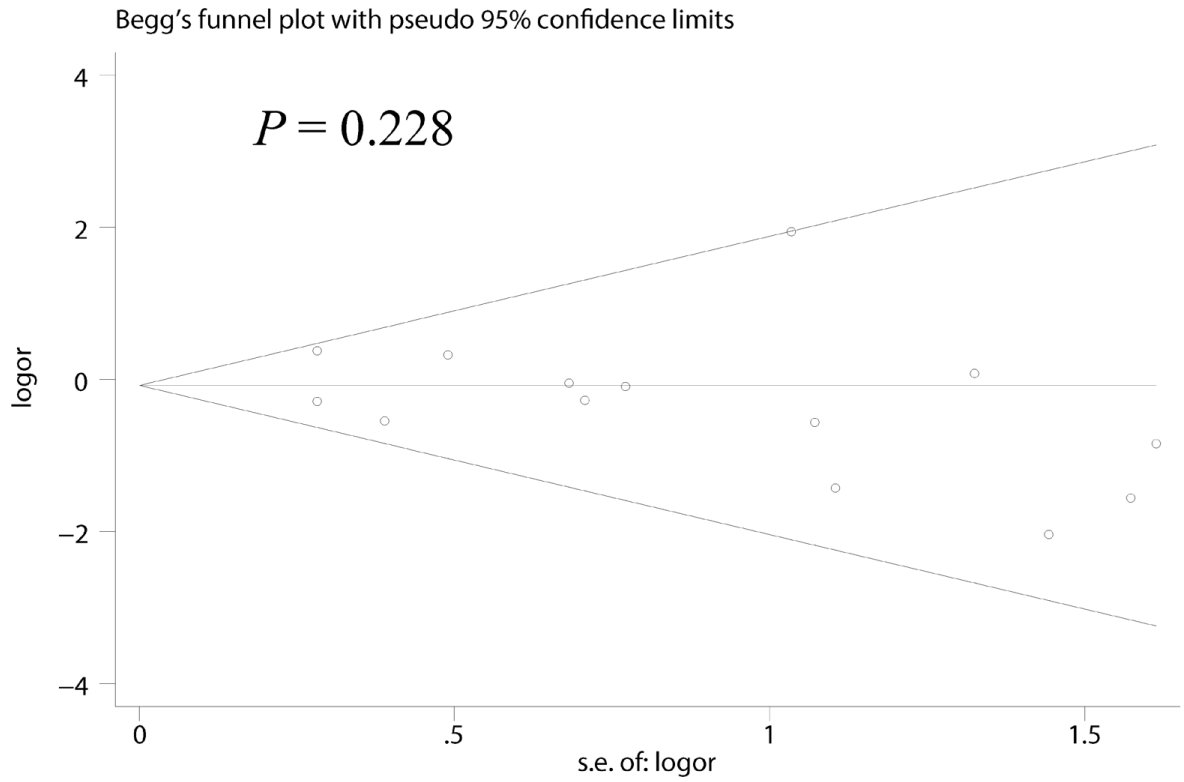
SUPPLEMENTARY FIGURES



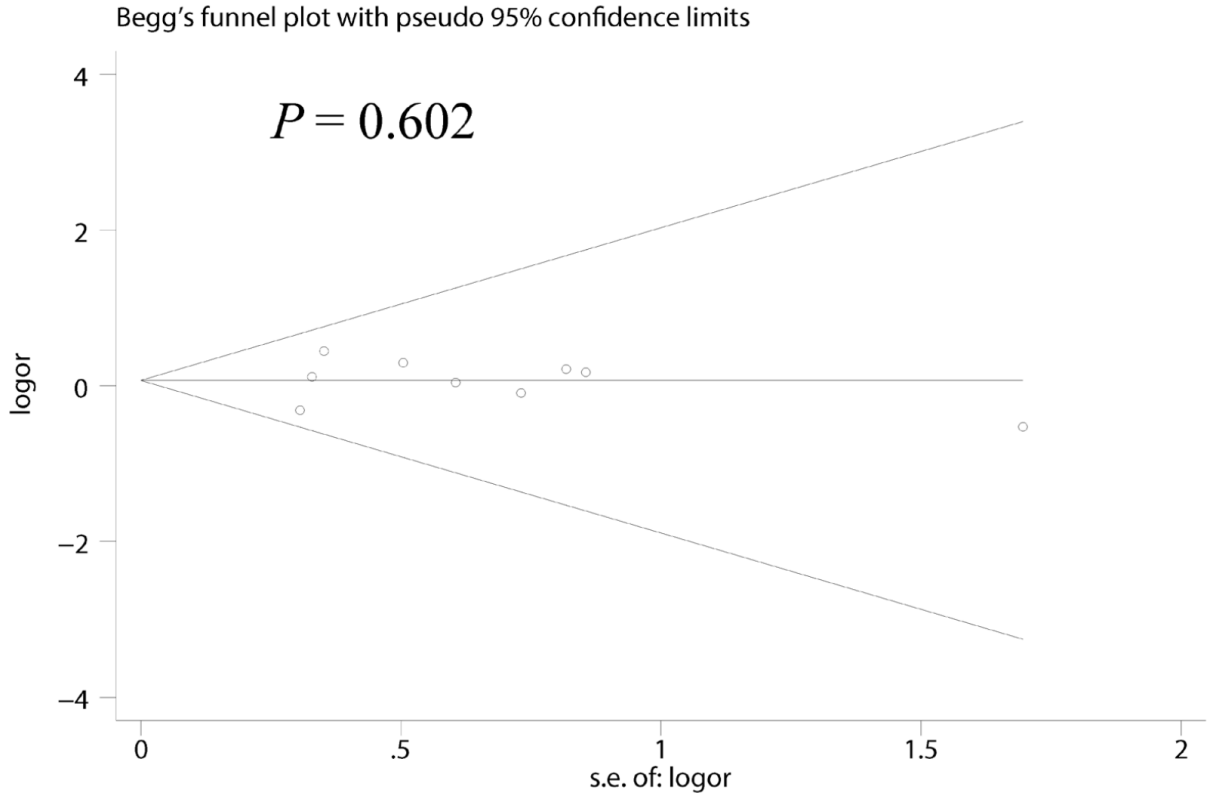
Supplementary Figure 1. Publication bias of studies regarding mortality (Egger's linear regression test).



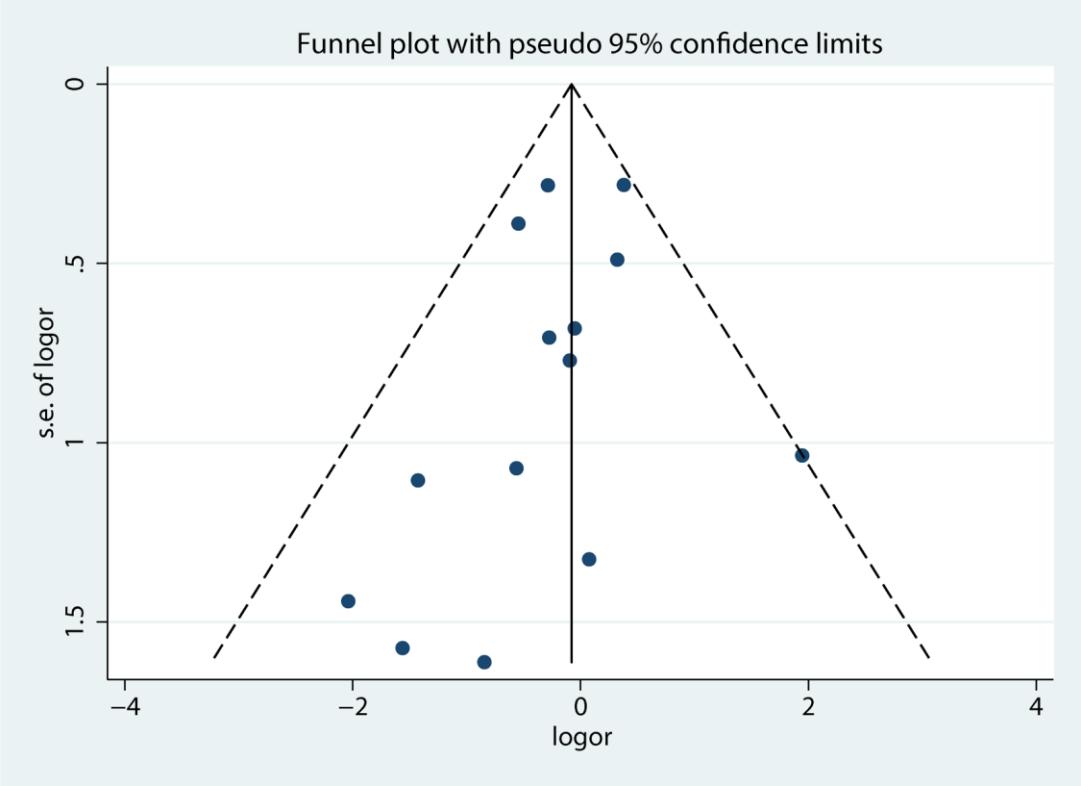
Supplementary Figure 2. Publication bias of studies regarding severe/critical disease (Egger's linear regression test).



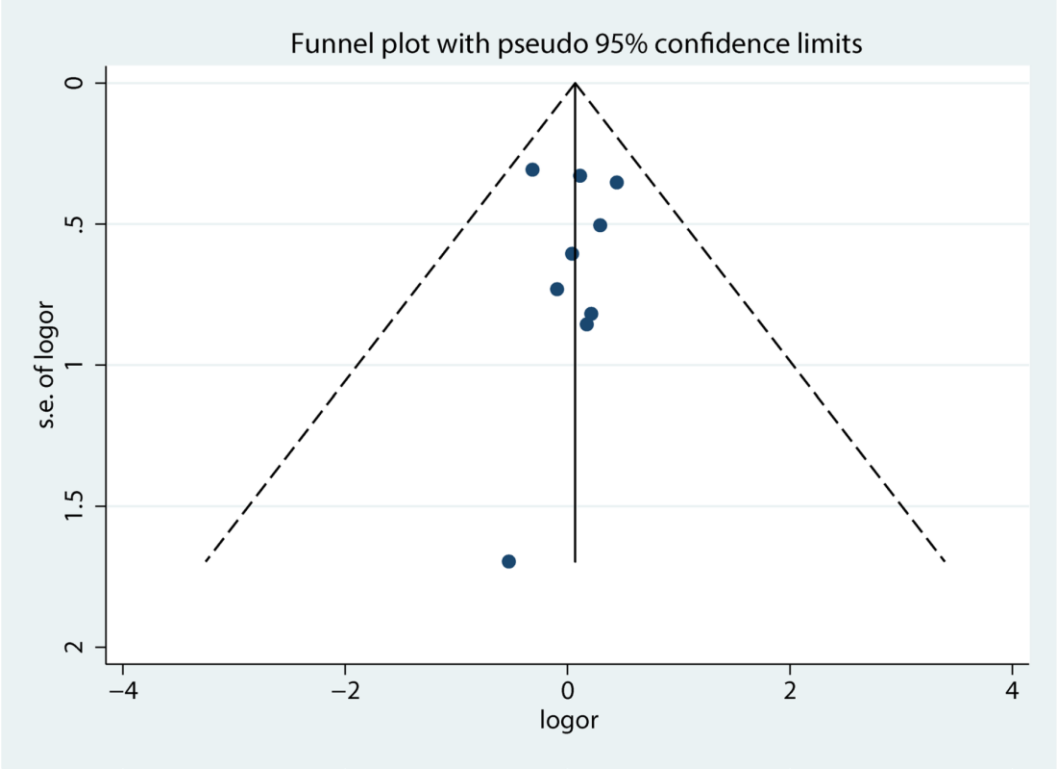
Supplementary Figure 3. Publication bias of studies regarding mortality (Begg's rank correlation test).



Supplementary Figure 4. Publication bias of studies regarding severe/critical disease (Begg's rank correlation test).



Supplementary Figure 5. Publication bias of studies regarding mortality (funnel plot).



Supplementary Figure 6. Publication bias of studies regarding severe/critical disease (funnel plot).
