(W) Sensor embedded into a wearable device.
(S) Sensor embedded into a smartphone.
(C) Sensor embedded into a complementary device.
(W&S) Sensor embedded into a wearable device and a smartphone.
(W&C) Sensor embedded into a wearable device and a complementary device.
[a]Number of appearances of each sensor in each study.
[b]Number of sensors embedded into wearable, smartphone, or complementary devices in each study.
[c]Number of studies with at least one sensor embedded into wearable, smartphone, or complementary.
[d]Number of different sensor types used in each study.
[e]Average of different sensor types used per study.
