
S1 Figure. Flowchart of identified, excluded and included records as of 6 July 2021

COVID-19, Coronavirus disease 2019; Math., mathematical; Prop., proportion;

[a]We also included papers that were published after the search date if we had previously identified their preprint.

[b]Note that some studies provided information for more than one question, therefore the total number is less than the sum of the study types.

[c]The protocol was updated on 18 Jun 21 and the study questions and inclusion criteria were updated. See S1 Table for more detail on these excluded studies.
