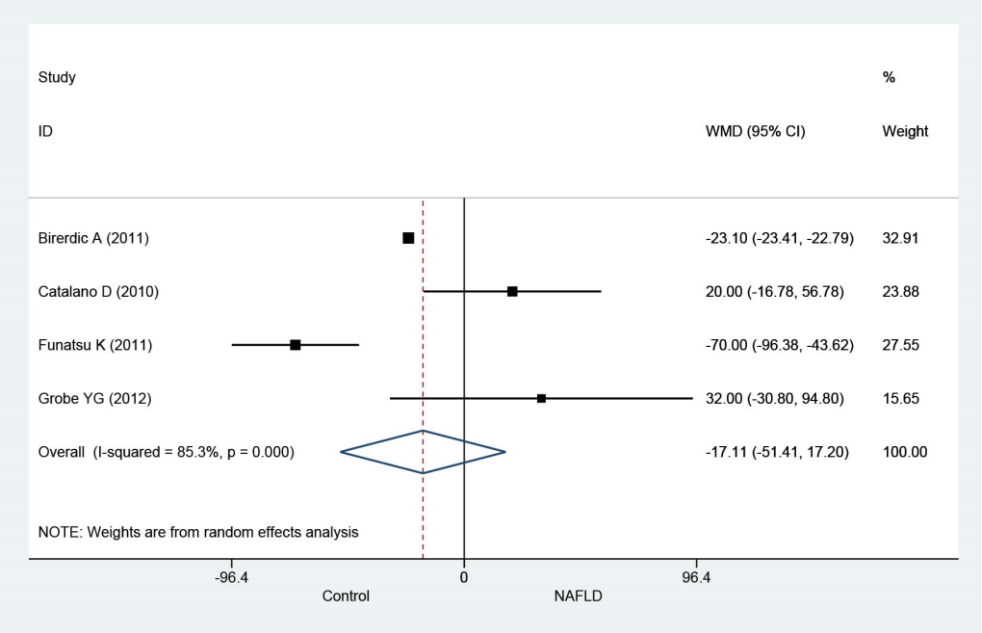
TABLE OF CONTENTS

Appendix 1: Results of the systematic review and meta-analysis 3

Supplementary Figure S1 Forest plot indicated coffee consumption (mg/day) of the general population (control) and patients with NAFLD 3

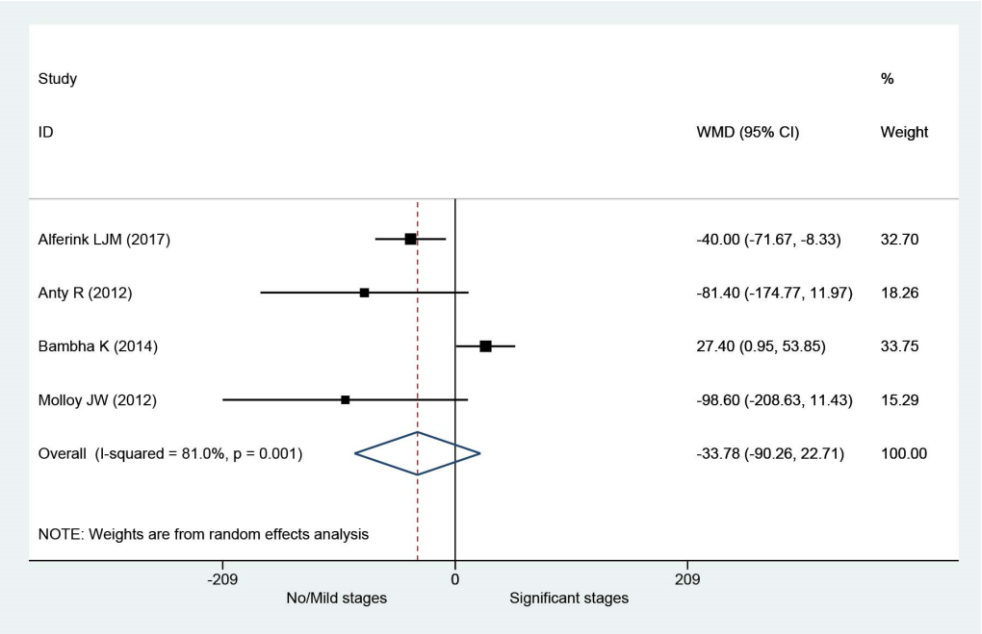
Supplementary Figure S2 Forest plot of coffee consumption (mg/day) of NAFLD patients with no/mild and significant stages of liver fibrosis 3

Appendix 1: Results of the systematic review and meta-analysis



WMD, weighted mean difference

Supplementary Figure S1 Forest plot indicated coffee consumption (mg/day) of the general population (control) and patients with NAFLD



WMD, weighted mean difference

Supplementary Figure S2 Forest plot of coffee consumption (mg/day) of NAFLD patients with no/mild and significant stages of liver fibrosis
